mentoring sessions with sean low

Mentoring sessions are via telephone and typically last about an hour (usually a little longer). All calls are recorded (so you do not have to take notes). You will receive a CD or you can download the call from my FTP site.

Before the first call I will provide you with a comprehensive questionnaire for you to complete and also for you to provide any relevant materials that can help me to understand your business.

I am a lead a horse to water type — my goal is for you to learn all that you need to during our time together to take your business forward. Each session is intended to build on the one before.

There are three options:

- Monthly for 3 Months – \$600 per call
- Monthly for 6 Months – \$500 per call
- Bi-Weekly for 3 Months – \$500 per call

All sessions are required to be pre-paid before each session. In addition, payment for the last session is due prior to the first session.

Space limited to twenty sessions per month. There will be a confirmed waiting list for future sessions.
